

Vision

Our vision is to provide accessible, affordable, inclusive and reliable transport for members of our local community.

Mission

Our mission is to:

- Provide safe and affordable transport for the communities we serve.
- To be as flexible as best we can with passengers to ensure maximum inclusivity and accessibility.
- Work with partners to benefit and help the local community and to be a bridge between them wherever possible.
- To be a champion of Community Transport both in our local community and nationwide.
- To promote independence.

Values

Our values are as follows:

- Promoting individual independence and social inclusion
- We will endeavour to accommodate every transport request providing it is feasible to the organisation.
- We provide a reliable and trustworthy service.
- We aim to accommodate all of our passenger's needs.
