

### Group Organiser/Leader Requirements for using Green Community Travel:

- All passengers must wear a face mask or covering (face shields are also acceptable.)
- All passengers must use hand sanitiser before boarding the vehicle.
- Passengers should sit in the same seat on their outbound and inbound journey.
- If using a GCT Driver, they will need to check each passenger's temperature before they board the vehicle (using temperature gun from GCT office.) Groups with their own driver can decide whether they wish to do this.
- Passengers should be seated at least 1m apart (unless from the same household) Passengers should sit in separate rows so they are not face to face/side to side (example illustration below)

- Passengers will be seated 2m from the driver.
- Group leaders/organisers must confirm with individual passengers that they have no coronavirus symptoms on the day of travel. (High temperature, new continuous cough, change of sense of smell and change of sense of taste.)
- Group leaders/organisers must let us know in advance if passengers are from the same household/in a bubble so we can ensure suitable seating arrangements in the minibuses.
- On booking GCT will assess each group/organisation and prepare a seating plan. Depending on number of passengers it may be necessary to use x2 minibuses so please book as soon as possible to ensure vehicle availability.
- We are constantly reviewing the government guidance and will update our policies in line with any changes.
